

## FRIDAY UPDATE – March 3, 2006

*The weekly update of the activities of the Indiana General Assembly  
A publication of the Indiana Judicial Center*

We have reached the end of the short session. This installment is a series of topical charts detailing the status of bills of interest to the Judiciary that were heard on third reading. If a bill was amended at any stage in the legislative process, it is designated with an “-A” at the relevant stage. The next communication on legislation will be the Final Legislative Update summarizing bills that have been signed into law.

If you are interested in reading the text of any bill introduced this session, you may find bill information on Access Indiana at <http://www.in.gov/apps/lsa/session/billwatch/billinfo>. If you are interested in the status of bills eligible for conference committee, you may find this information at <http://www.in.gov/legislative/reports/2006/CNFGRIDH.PDF>.
